

## Practising Certificate in Equine Nutrition

**DISTANCE LEARNING**  
**18 months part-time (310 hours)**

Consolidating knowledge of equine nutrition as it pertains to a specific horse's needs at its various stages of life is vital for the horse to survive and thrive. This course has been formulated by Jane Myers MSc (Equine) who is Co-author of the well-known Australian book "Horse Sense" (2nd edition) and is the sole author of "Managing horses on Small Properties" and "Horse Safe". Jane has completed much research on Equine behaviour and is passionate about the care and welfare of horses.

- Course Duration :** Course is to be completed within 18 months part-time from commencement date.
- Delivery Mode :** Distance education (correspondence).
- Intake Dates :** There are no intake dates for distance learning courses, you can commence at anytime during the year.
- Prerequisites :** There are no prerequisites for this course.
- Course Investment :** **\$1,895.00**
- Payment Plan :** An installment plan is also available. Students who choose to pay by instalments go onto a payment plan which incurs a one off administration fee of \$198.00

**The breakdown is as follows:**

Course Investment	\$ 1,895.00
Less Deposit	\$ <u>564.00</u>
Sub-Total	\$ 1,326.00
plus 15% one off Ezypay admin fee	\$ <u>198.00</u>
<b>Total Balance</b>	<b>\$ 1,525.00</b>

\$1,525.00 is then divided into *seven payments of \$218.00* which is direct debited from your nominated savings or credit account.

Graduates are eligible to join the **Small Animal and Equine Naturopathic Association free as a student** & upgrade to a full member to qualify for Insurance as a practising consultant in Nutrition.

# PRACTISING CERTIFICATE in EQUINE NUTRITION

## Course Structure

Unit Name	Assignment Structure	Due
Unit 1. The Equine Digestive System	One (1) workbook assignment	Month 1
Lesson 1. The principles of feeding horses	Five (5) question assignment	Month 2
Lesson 2. How horses digest feed	Eight (8) question assignment	Month 3
Lesson 3. The major nutrients in horse feeds	Ten (10) question assignment	Month 4
Lesson 4. The nutrient requirements of horses	Nine (9) question assignment	Month 5
Lesson 5. Formulating rations for horses	Four (4) question assignment	Month 6
Lesson 6. Supplementation	Two (2) question assignment	Month 7
Lesson 7. Feeds for horses	Ten (10) question assignment	Month 8
Lesson 8. Anti nutritional factors in horse feeds	Three (3) question assignment	Month 9
Lesson 9. Poisonous plants	Two (2) question assignment	Month 10
Lesson 10. Nutrient composition	One (1) question assignment	Month 11
Lesson 11. Final Formulating Rations Assessment	One (1) question assignment	Month 12-18
Unit 12. Clinical Case Reports	Clinical Case Studies	Month 12-18
Unit 13. Business	Business Portfolio Assessment	Month 12-18
Unit 14. Research Paper	Subject approved by tutor	Month 12-18
