

Stage 1: Preliminary Selection Period (1 July 2017 - 15 July 2018)

Combinations needed to achieve at least two 69%-or-higher scores during this period to *qualify for selection consideration* (CDI3* Grand Prix or higher with at least one 5* judge). One of the 69%-or-higher qualifying scores had to be achieved in 2018. As these dates were extended, combinations could achieve *qualifying scores* at Nominated Events (while simultaneously *posting scores for team selection*).
